NIGHT PAVING WORK IN CLAREMONT BEGINS ON JULY 11
WASHINGTON STREET BETWEEN WATER ST. AND OLD NEWPORT RD.

The New Hampshire Department of Transportation announces night paving work is scheduled to begin on Washington Street in Claremont on Sunday, July 11, 2004.

This final paving work on Washington Street between Water Street and Old Newport Road is expected to take up to five nights to complete. Work hours will be daily from 6:00 PM until 6:00 AM. Lane closures will be necessary and uniformed officers will assist motorists through the work zone. Some driveway work will also take place during daytime hours.

This project has included the reconstruction of two major sections of Washington Street, repairs to the bridge over the Sugar River, and the reconstruction and widening of the North Street intersection with improved signalization.

R.S. Audley, Inc. of Bow, New Hampshire is the general contractor for the \$5.8 million project.
